UPTON WADE NARON (retired USAF August 1960 - 20 years of service)

Born in San Diego, California, U.S.A. October 31st, 1917

High School graduate from George Washington High School, Los Angeles, California in June 1935.

Technical Schools

1. West Point Prep (January to June 1936)
2. Aircraft Armament School (May to December 1942)
3. Aircraft and Engine Maintenance (January to December 1948)
4. C.A.A. Engine Course (1949)
5. I.C.S. Course in Locomotive Engines and Centrifugal Water Pumps (Worthington) (80% completed because of voluntaring into service during WW II)
6. State Department School in Washington D.C. for Spanish Language and Latin American Public Relations (how to get along with our Latin cousins, Latin customs and habits etc. - June 1955- six month course)

Experience

1. 10 years Aerial Engineer and Aircraft Maintenance Technician
2. 3 years locomotive fireman for the Southern Pacific Railway, oil burning steam and Diesel Electric locomotives (May 1938 - December 1941).
3. 8 months salesman for American Weather Windows - Philadelphia Pa. (May 1946 - December 1946)
4. 4 years Latin American experience (September 1955 - Sept. 1959) Dealing with Latins in many of the South American countries. Responsible for the movement of air freight both in and out of Santiago, Chile. Maintaining of good relations between the International Police and Customs. Contract Maintenance in regards to aircraft assigned to Chile (at Faucett in Lima - LAN in Santiago and Aerolineas Argentinas in Buenos Aires). Liberating of surface freight at Valparaiso, Chile and some work with customs at Antofagasta, Chile.

I am willing to work any where in Latin America for any period of time with preference to Chile where I think my experience would be most valuable.

Read and write Spanish poorly, speak and understand Spanish fair.

Would like to go to factory school and will take correspondence course as soon as I find out what is the most important item to study.
